

Extra-curricular Clubs – Autumn 1

MONDAY	WEDNESDAY	THURSDAY
Animation Club KS1 children Animation Club is a fun, technology-based club where children can explore their creativity through digital animation. Children will learn how to plan and create their own short animations, developing skills in storytelling, design and using technology confidently and creatively.	Football Year 5 and 6 children Football Club gives children the opportunity to develop their football skills through a range of fun drills, games and activities. Children will practise skills such as passing, dribbling, shooting, defending and teamwork, while developing their fitness, coordination and confidence.	Multi-skills Club KS1 children Multi-skills is a sports-based club that helps children develop the fundamental movement skills needed for a wide range of physical activities and sports. It can include running, jumping, hopping, skipping, balancing, throwing, catching, kicking, aiming, agility, coordination and teamwork, taught through fun games, challenges and activities.
Football Year 3 and 4 children Football Club gives children the opportunity to develop their football skills through a range of fun drills, games and activities. Children will practise skills such as passing, dribbling, shooting, defending and teamwork, while developing their fitness, coordination and confidence.		Choir KS2 children Choir gives children the opportunity to enjoy singing together and develop their confidence, musicality and performance skills. Children will learn and perform a range of songs while developing their understanding of rhythm, pitch and singing as part of a group.
		Girls' Netball Year 5 and 6 girls Netball Club gives girls the opportunity to develop their netball skills through drills, games and match play. Children will practise passing, catching, shooting, footwork and positioning while developing teamwork, communication and confidence.
		Makaton Club KS2 children On a lunchtime Makaton Club introduces children to basic Makaton signs and symbols in a fun and engaging way. Children will learn signs that can support everyday communication, helping them to develop their understanding of different ways in which people communicate.
		St Nicholas Newspaper Club KS2 children On a lunchtime St Nicholas Newspaper Club gives budding writers and reporters the opportunity to create content for our school newspaper. Children will develop their writing, interviewing and reporting skills as they gather news, write articles and share the exciting things happening across our school community.
