

Sport Premium Grant Expenditure Report

Context

Physical Education is made up of:

- Across school classes teach 2 hours of PE each week.
- Our current curriculum structure uses a range of resources for delivery from use of schemes such as Real P.E and PE Planning as well as links with the competition calendar.
- The new curriculum sees more of a stress on the fundamental skills within Key Stage 1. These are agility, balance and coordination. Once the children have got these skills they then use the application skill into different contexts which the children are taught competitive sports throughout the key stages.
- This academic year has seen foundation through to year 6 taught quality PE (skills) for half a term by both our teachers and coaches.
- Swimming and Water Safety will remain a teaching area for our Year 4 and 5 children.

So, what does the National Curriculum look like?

The aims of the PE National Curriculum are as follows:

- Develop competence to excel in a broad range of physical activities
- Be physically active for sustained periods of time
- Engage in competitive sports and activities
- Lead healthy and active lives

Our Vision

Physical Education at St Nicholas Catholic Primary School is committed to equip young children with the knowledge of how to be and stay healthy as well as understanding the importance of fitness. Within the physical education curriculum, we ensure the children have high aspirations and recognise that every child has different strengths which we aim to enhance. We focus on the child as a whole and build on personal challenges, social experiences, creative development and physical movement. Our curriculum offers a wide range of sports to give the children a range of sporting experiences.

Real PE

Real PE developed Jasmine with create development in 2018. Creates three central philosophies are:

- Creating clear, shared learning journeys
- Providing quality personalised opportunities
- Shifting responsibility towards the learner

Combining these philosophies with our company values of Simplicity, Excellence and Passion make us leaders in learning and whole-child development.

The scheme is a child centred scheme, which is aligned with the national curriculum and the Ofsted requirements for all year groups. It gives every child the physical literacy, emotional and thinking skills to help achieve skills in PE, sport and life.

It is a unique, child-centred approach, which helps to transform how teachers teach PE to engage and challenge EVERY child.

This scheme has enabled the less confident staff to feel confident enough to deliver high-quality PE across the curriculum, providing a high standard of dance, gymnastics, games and athletics.

Each lesson is differentiated for the child to give them the opportunity to challenge themselves no matter their ability and show improvement and progress throughout the year. This programme is very inclusive and means the SEND children are always tailored to.

Key stage 1

Pupils should develop fundamental movement skills, become increasingly competent and confident and access a broad range of opportunities to extend their agility, balance and coordination, individually and with others. They should be able to engage in competitive (both against self and against others) and co-operative physical activities, in a range of increasingly challenging situations.

Pupils should be taught to:

- master basic movements including running, jumping, throwing and catching, as well as developing balance, agility and co-ordination, and begin to apply these in a range of activities
- participate in team games, developing simple tactics for attacking and defending
- perform dances using simple movement patterns.

Key stage 2

Pupils should continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement. They should enjoy communicating, collaborating and competing with each other. They should develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success.

Pupils should be taught to:

- use running, jumping, throwing and catching in isolation and in combination
- play competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, rounders and tennis], and apply basic principles suitable for attacking and defending
- develop flexibility, strength, technique, control and balance [for example, through athletics and gymnastics]
- perform dances using a range of movement patterns
- take part in outdoor and adventurous activity challenges both individually and within a team
- compare their performances with previous ones and demonstrate improvement to achieve their personal best

Swimming and water safety

All schools must provide swimming instruction either in key stage 1 or key stage 2.

In particular, pupils should be taught to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- perform safe self-rescue in different water-based situations

Leeds Swimming Guidelines

- All Leeds Primary Schools, & Leisure Centres to receive the Key Stage 2
- Primary School Swimming Framework electronically. Schools not using LCC facilities will need to organise the process with their chosen provider.
- Schools to print off and create a folder for the schemes of work and assessment sheets. The scheme sheets should be laminated. Schools to retain the folder, and take responsibility for it.
- School teachers should ideally write a lesson plan for each lesson using the scheme of work. Schools to hand the leisure teachers their assessment sheet prior to the lesson and return to the folder after the lesson.
- After the last lesson the assessment sheets can be used to measure attainments.

Primary School PE and Sport Funding

The Sports Premium funding is when the government provides additional funding of £150 million per annum for academic years 2013 to 2020 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - will be allocated to primary school Head Teachers.

This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

This year we have looked at different areas within PE from Foundation through to Year 6 to see when the funding can make the most impact.

Purpose of Funding

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

For example, you can use your funding to:

- hire qualified sports coaches to work with teachers
- provide existing staff with training or resources to help them teach PE and sport more effectively
- introduce new sports or activities and encourage more pupils to take up sport
- support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- run sport competitions
- increase pupils' participation in the School Games
- run sports activities with other schools

Top 10 Elements of Outstanding PE Lessons:

- Engaging
- Commitment to PE (In KIT!!)
- Subject knowledge
- Passion / Enthusiasm
- Challenge
- Inclusive
- Outcomes / Objectives
- Questioning (effectively used)
- Assessment for Learning
- Peer assessment
- Cross curricular (links of learning)

Accountability

From September 2013, schools will be held to account over how they spend their additional, ring-fenced funding. Ofsted will strengthen the coverage of PE and sport within the 'Inspectors' handbook' and supporting guidance so that both schools and inspectors know how sport and PE will be assessed in future as part of the school's overall provision.

One year on, Ofsted will carry out a survey reporting on the first year's expenditure of additional funding and its impact.

Schools will also be required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day.

How the Sports Premium will be spent at St Nicholas Catholic Primary School?

At St Nicholas Catholic Primary School, we have identified several areas which we aim to improve and enhance through the use of Sport Premium funding, in order to raise participation and achievement for all pupils in PE, sport and physical activity.

Our identified priorities for 2022/2023 are:

- To embed the spiral curriculum to monitor the impact of the long-term plan.
- To ensure that children are reviewing skills before enhancing them.
- Focus on the core muscles and abilities of the children in KS1 and with SEND to enable them to be more competent and involved in PE lessons.
- To ensure all staff are confident and teaching well-structured lessons within every aspect of the PE curriculum.
- To give opportunities for the greater depth children.
- To make links within the community to give parents the opportunities to know what opportunities are out there for their children.
- More coaching lessons to be had with members of staff to ensure the 4 step lessons are happening.
- Assessing meetings with the staff.
- Monitoring of the skills progression within year groups.
- To increase children's well-being through mindfulness, active sessions
- To introduce active learning to make sure children are all participating in being active for 30 minutes a day.

Our identified priorities for 2021/2022 are:

- Resume participation in out of school competitions with a wider range of sports.
- To engage more children in taster sessions and workshops.
- To increase the number of children taking part in the competitions. To ensure most children take part in a competition by the time they leave year 6.
- To ensure all teachers are confident in delivering high standard gymnastics and dance lessons.
- To ensure children are confident in moving equipment safely.
- To ensure all staff baseline their class (using the assessment cog for that half term) and assess them half termly.
- To increase children's well-being through mindfulness, active sessions
- To introduce active learning to make sure children are all participating in being active for 30 minutes a day.

- To introduce Mini Sports leaders to enhance the pupil voice and leadership within school.

Our identified priorities for 2020/2021 are:

- Continue to participate in out of school competitions with a wider range of sports.
- To have more children involved in taster sessions and workshops.
- To increase the number of children taking part in the competitions. To ensure most children take part in a competition by the time they leave year 6.
- To ensure all teachers are confident in delivering high standard gymnastics lessons.
- To ensure children are confident in moving equipment safely.
- To ensure all staff baseline their class (using the assessment cog for that half term) and assess them half termly.
- To have more individual fitness sessions (in line with the current pandemic)
- To introduce active breaks to make sure children are all participating in being active for 30 minutes a day.

Our identified priorities for 2019/2020 are:

- Continue to participate in out of school competitions e.g. athletics, netball, tennis, skipping.
- To increase the number of children taking part in the competitions. To implement a system to ensure most children take part in a competition by the time they leave year 6.
- To ensure all staff and NQTs are confident in following the Real PE scheme for indoor PE and teaching high standard lessons.
- To ensure all staff are confident in assessing children in PE using the cogs from the Real PE scheme.
- To increase the promotion of health and fitness by completing the active mile.

Our identified priorities for 2018/2019 are:

- Continue to participate in out of school competitions e.g. athletics, netball, tennis, skipping.
- To increase the number of children taking part in the competitions. To implement a system to ensure most children take part in a competition by the time they leave year 6.
- To ensure new staff and NQTs are confident in following the Val Sabin scheme.

- To increase the promotion of health and fitness by introducing the active mile.
- To look into the strengths and weakness of the teaching staff.
- To introduce a new assessment tool.

Our identified priorities for 2017/2018 are:

- Continue to participate in out of school competitions e.g. athletics, netball, tennis, skipping.
- Increase pupil participation in extra-curricular sports
- Val Sabin to help teacher deliver high standard lessons

Our identified priorities for 2016/2017 are:

- Promotion of healthy lifestyles within school through introduction of a sports council who organise inter-school fixtures – led and organised by children.
- Increase pupil participation in extra-curricular sports clubs.
- Continue to participate in out of school competitions e.g. athletics, netball, tennis, skipping.
- Real P.E top up training for KS1 and KS2 teachers.

Our identified priorities for 2015/2016 are:

- Mini tennis (Year 3/4) and Skipping competitions against other schools in the cluster
- Sports hall athletics – Team and after school squad training ran by P.E Specialist (Emma Bentley)
- Real P.E– 3 –day leadership course. To maximise learning and impact, **Real PE** is supported by a 3-day programme of training and support, where delegates are introduced to a new approach to teaching PE. This is achieved via practical experiential learning, reflection and review. The 3-day model also allows teachers to use the **Real PE** approach with their pupils before reviewing at their next training day, thereby ensuring full understanding and the sharing of best practice through a community of learning.
- Fun run (Year 3)
- Look at assessment strategies as a cluster.

Our identified priorities for 2014/15 are:

- Review School policies relating to Physical Education. Ensure policy includes schools' new schemes of Real PE and Inspire Curriculum
- Develop Whole school progressive approach to the Teaching (curriculum) of Physical Education. To develop the teaching of Outdoor Adventurous Activities to include a range of environments which are progressive throughout KS2.
- Staff CPD. Deliver twilight trainings of Real PE. Team teaching alongside specialist PE teacher (cluster link).
- Begin to look at assessing children using the assessment wheel – evening utilising the iPads for instant assessments.
- Promotion of healthy lifestyles within school through introduction of a sports council who organise inter-school fixtures – led and organised by children.

Our identified priorities for 2013/14 are:

- Improve staff skills and confidence in the teaching of Gymnastic and Dance through additional staff training;
- Develop the outdoor and adventurous activities element of the PE curriculum, utilising the school's own grounds and other facilities;
- Increase pupil participation in extra-curricular sports clubs;
- Increase participation in intra and inter-school competition through releasing staff, membership of the local partnership (Leeds Active Schools) and membership of the Youth Sports Trust.

Total funding for 2021/2022 = £18,621

Action/Activity/Project	Cost	Description	Impact
Lunchtime clubs	£4100	Lunchtime clubs are led by Health for All coaches. They are available for KS2 children on Mondays, Wednesday and Fridays. Lunchtime club is available for KS1 on a Tuesday.	Behaviour has now improved on the KS2 and KS1 playground at lunch times and chn are more involved and active. We have seen a number of inactive children who do not normally chose to participate in sports, go to the club and become more active. We have started to focus these activities on the SEND children as they seem to be less active.

Yoga Bugs	£1750	<p>Yoga sessions available for each year group.</p> <p>This also includes mindfulness activities.</p>	<p>This program is used to promote well-being and allowing children to have a time where they focus on themselves.</p> <p>Introducing yoga has given the children the opportunity to focus on their breathing as well as their core strength, this is highly important as it aids sitting at tables and handwriting. Core muscles are important for all children.</p>
Create Development	£495.00	<p>This package includes:</p> <p>Real PE</p> <p>Real Gym</p> <p>Read Dance</p> <p>Jasmine – online scheme that enhances the indoor PE lessons with modelled videos</p> <p>Subject Leader Courses – to understand the online tool, assessment and learning nutrition of the school, deep dive into PE</p> <p>Resources – each year group has a planning curriculum sheet, funs cards and assessment cogs.</p>	<p>To establish inclusion for all children.</p> <p>Differentiation will enable children to access the curriculum.</p> <p>Long term plans will be provided for staff to enhance their coverage.</p> <p>Assessments will made easier for staff to manage.</p> <p>Courses for PE leads have enhanced their knowledge and helped prepare for deep dives. PE leads have implanted the scheme of work into the school to enhance quality teaching in PE.</p>

Sports Leaders Training	£270	PE leader attended Mini Sports Leaders Training and brought the initiative back to school, where year 5 and 6 chn underwent sports leader training, in order to plan and deliver break time activities. They also have lead the Winter Olympic Days and delivered whole school assemblies.	Sports leaders are evident in school, all children know who they are and they have had success in planning and delivering sessions. The sports leaders show wonderful sportsmanship, really try to involve all chn in the school.
Swimming CPD	£100	BP took part in the Swimming CPD offered by Active Schools.	BP is now excited to teach swimming sessions and found the training really useful. BP is now able to plan and deliver successful swimming lessons.
PE planning	£269	PE planning is a resource for teachers to use for outdoor PE, this has specific lessons, skills and games to teach. As well as provided differentiated activities for the staff to use during the lesson based on the children abilities.	Staff feel more confident delivering PE sessions, they can see a clear progression of the lessons and the structure of a high-quality lesson. All children are engaged in the sessions. Having the planning provided for the staff to edit for their class has a time benefit.
Dance CPD	£1635	Through the Real PE scheme CPD was delivered by a member of their staff for Foundation/KS1 and KS2.	All staff thoroughly enjoyed the CPD and by the end of it said they had to confidence and knowledge to deliver successful dance sessions.

Active Schools	£120	Through active schools the subject lead has been on 3 subject leader days with the LA.	Subject leader is up to date with the national curriculum, current reports and has been involved in sessions focusing on a PE Deep Dive.
Health for All Gymnastic coach	£1230	A gymnastics coach has been in the school to deliver a half term on gymnastics with every class.	Staff have all seen a coach deliver gymnastics sessions and children have experience in the basics of gymnastics.
Equipment	£850.61	Termly PE orders based on the equipment needed have been bought and stored in the PE cupboard safely to use.	All staff know where the equipment is and using the appropriate equipment makes successful lessons.
After School Provision	£3600 – Health for All £3000 - Football	Forecast for football, Rocky ace club, multi-sports, tag rugby, dance and athletics.	Children have the opportunity to attend after school clubs by specialist coaches. These has raised a higher number of children being active as well as giving the younger children the opportunity to enhance their skills. The coaches have also prepared the children to compete in competitions.
Pro-ride	£3600	Reception children to learn the skills on balance bike to prepare them for riding a bike. To endorse different	This year the children in foundation had to opportunity to have some taster sessions on the balance bikes. The children loved this session and they showed a lot of confidence within them. This made the children use the bikes more within their outdoor

		ways to travel to school and the health benefits for the children. Year 6 to learning about how to ride a bike safely.	provision, especially children the staff hadn't seen use them before. From these children across the school now have the opportunity to travel to school on their bikes/scooters. KS1 and KS2 bike taster days, expressed the enjoyment and health benefits of riding a bike.
Coach	£120	Ice Skating workshop travel	New experiences for the children to try at Leeds Ice Rink.
Skipping School	£875	Children in the years 2 and 4 take part in a skipping competition. A trainer will come in to help the children to prepare for the competitions and the different activities they have to do for the competition. They will also train the class teacher in helping them to prepare the children for the competition.	Year 2 children enjoyed participating in the skipping competition. The children also won various medals and certificates. The children take great pride in this competition, they learn to work on their teamwork skills as well as sportsmanship skills. All children support each other. Skipping is a predominant feature on the Key Stage One playground at breaks and lunchtimes. This year the year 1 children won the whole competition.
Trophies and awards	£893.52	Medals for sports day.	Children to have pride in their achievements when it comes to competing. Sportsmanship awards were also available this year as we have been promoting team work and leadership.

Total funding for 2020/2021 = £18,563

Action/Activity/Project	Cost	Description	Impact
After School Provision for Key Stage 1	£815.00 Rocky Ace (Health for All)	A multi skills after school club for year 1 and 2 children.	Children have the opportunity to attend after school clubs by specialist coaches. These has raised a higher number of children being active, giving the younger children the opportunity to enhance their sport skills as well as their social skills.
After School Provision for Key Stage 2	£1,000 Football	Football club available for Year 3 and 4 and Year 5 and 6.	Children have the opportunity to attend after school clubs by specialist coaches. The children are able to improve their teamwork and sportsmanship skills. Within these session children build in confidence and improve their football skills and become more confident in playing a particular position. The coaches have also prepared the children to compete in competitions.
Lunchtime Provision for Key Stage 2	£157 Health for All	Sports coaches come in 3 times a week on lunchtimes to work with the Key Stage 2 children.	These sessions have been introduced recently and allow children to pick and choose if they want to be involved. There is no cap on children taking part. This club as given more purpose to lunchtimes and has had an effect on children keeping active during lunchtimes which has impacted on the children behaviour during lunchtimes. From this club children have the opportunity to work with children from different year groups.
Catholic Cluster Initiative	£3100.66	Our school along with the other East Leeds Catholic Cluster Primary schools, made up of Our Lady's, St Theresa's and Corpus Christi Catholic	Through the Catholic cluster initiative, the children have been able to take part in many different competitions. The children have really enjoyed the competitions and showed great sportsmanship throughout them. We have had some fantastic outcomes from the competitions this year. The competitions this year have also been

		<p>Primary School and in conjunction with Corpus Christi Catholic College who have employed a Primary Sports specialist teacher who will work at St Nicholas' in Autumn 2, Spring 2 and Summer 2 for one day a week. Her role will be to support the delivery of physical education and local transition along with aiming to increase the competition and participation in sports events.</p>	<p>assessable for KS1 and have given these children the opportunity to prepare for the KS2 competitions. The specialist teacher has helped to prepare them by delivered specialised sessions for upcoming events and improved the skills of the children. Due to the pandemic all sports competitions were cancelled from March.</p> <p>The member of staff has worked closely with the NQT by team teaching, planning, observing and giving input on differentiation as well as indoor and outdoor activities.</p> <p>They have also worked with the play leaders planning with them, sharing ideas and observing them teach and lead.</p>
Active Schools +	£1900	<p>Investing into the Leeds PE and Sport (active schools). The money pays for CPD, membership to the YST, PE Quality mark, Matalan Tops planning scheme, Bupa healthy schools' resources.</p>	<p>Active Schools, have upskilled the PE leads by holding a conference every half term, these bring new ideas to the PE lead which are them brought into the school.</p> <p>Opportunities to attend conferences and courses to help improve confidence and knowledge of P.E amongst teaching staff.</p> <p>Opportunities to attend different competitions and events and experience various sports.</p>
Create Development PE coordinator refresher course.	£400	<p>This package includes:</p> <p>Real PE – which plans the indoor PE sessions linking to the national curriculum</p>	<p>To establish inclusion for all children.</p> <p>Differentiation will enable children to access the curriculum.</p> <p>Long term plans will be provided for staff to enhance their coverage.</p> <p>Assessments will made easier for staff to manage.</p>

		<p>Real Gym – has gymnastic lessons for all year groups</p> <p>Jasmine – online scheme that enhances the indoor PE lessons with modelled videos</p> <p>Subject Leader Courses – to understand the online tool, assessment and learning nutrition of the school, deep dive into PE</p> <p>Resources – each year group has a planning curriculum sheet, funs cards and assessment cogs.</p>	<p>Courses for PE leads have enhanced their knowledge and helped prepare for deep dives. PE leads have implanted the scheme of work into the school to enhance quality teaching in PE.</p>
Bugs Group	£3,000	<p>Yoga sessions available for each year group.</p> <p>This also includes mindfulness activities.</p>	<p>As children were online learning, this program gave children the opportunity to keep active at home providing weekly yoga sessions.</p> <p>Once back in school, this program is used to promote well-being and allowing children to have a time where they focus on themselves.</p> <p>Introducing yoga has given the children the opportunity to focus on their breathing as well as their core strength, this is highly important as it aids sitting at tables and handwriting. Core muscles are important for all children.</p>
Pro-ride	£565.30	<p>Reception children to learn the skills on balance bike to</p>	<p>This year the children in foundation had to opportunity to have some taster sessions on the balance bikes. The children loved this session and</p>

		<p>prepare them for riding a bike. To endorse different ways to travel to school and the health benefits for the children.</p> <p>Year 6 to learning about how to ride a bike safely.</p>	<p>they showed a lot of confidence within them. This made the children use the bikes more within their outdoor provision, especially children the staff hadn't seen use them before. From these children across the school now have the opportunity to travel to school on their bikes/scooters.</p>
Medals	£313.70	Medals for sports day.	<p>Children to have pride in their achievements when it comes to competing.</p> <p>Sportsmanship awards were also available this year as we have been promoting team work and leadership.</p>

Not all funding was spent this year due to the Covid-19 pandemic. This funding has been carried forward with plans for 2021/2022.

Total funding for 2019/2020 = £18.527

Action/Activity/Project	Cost	Description	Impact
After School Provision for Key Stage 1	£1,430 Rocky Ace (Health for All)	A multi skills after school club for year 1 and 2 children.	Children have the opportunity to attend after school clubs by specialist coaches. These has raised a higher number of children being active, giving the younger children the opportunity to enhance their sport skills as well as their social skills.
After School Provision for Key Stage 2	£2,450 Football	Football club available for Year 3 and 4 and Year 5 and 6.	Children have the opportunity to attend after school clubs by specialist coaches. The children are able to improve their teamwork and sportsmanship skills. Within these session children build in confidence and improve their football skills and become more confident in playing

			a particular position. The coaches have also prepared the children to compete in competitions.
Lunchtime Provision for Key Stage 2	£157 Health for All	Sports coaches come in 3 times a week on lunchtimes to work with the Key Stage 2 children.	These sessions have been introduced recently and allow children to pick and choose if they want to be involved. There is no cap on children taking part. This club has given more purpose to lunchtimes and has had an effect on children keeping active during lunchtimes which has impacted on the children's behaviour during lunchtimes. From this club, children have the opportunity to work with children from different year groups.
Rhino Foundation	£2,000	Support from the Leeds Rhinos to develop our physical education curriculum (coaching and healthy schools/pshe) as well as our sports curriculum delivery of lunchtime sessions working with playleaders and provide an after-school provision for one half term.	<p>The Rhinos foundation has impacted the children by allowing all children to have an opportunity to take part in: after school clubs, training sessions and a takeover day where every class in the school got the opportunity to work alongside the Rhinos leaders that came into school.</p> <p>The children have had training sessions with the leaders at different times during the year, these sessions are usually multi-skill or tag rugby for the older children in the school. These sessions have helped the children to work together.</p> <p>The Rhinos leaders also worked with the year 6 play leaders this year in order to help them plan activities for the younger children during lunchtimes.</p> <p>The after-school clubs that they undertook this year were Rugby with year 3 and 4 children. This gave the children the opportunity to enhance their skills.</p>

Skipping School	£775	<p>Children in the years 2 and 4 take part in a skipping competition. A trainer will come in to help the children to prepare for the competitions and the different activities they have to do for the competition. They will also train the class teacher in helping them to prepare the children for the competition.</p> <p>(Year 2 skipping competition was postponed due to the pandemic)</p>	<p>Year 4 children enjoyed participating in the skipping competition. The children also won various medals and certificates. The children take great pride in this competition, they learn to work on their teamwork skills as well as sportsmanship skills. All children support each other. Skipping is a predominant feature on the Key Stage One playground at breaks and lunchtimes.</p>
Catholic Cluster Initiative	£5,000	<p>Our school along with the other East Leeds Catholic Cluster Primary schools, made up of Our Lady's, St Theresa's and Corpus Christi Catholic Primary School and in conjunction with Corpus Christi Catholic College who have employed a Primary Sports specialist teacher who will work at St Nicholas' in Autumn 2, Spring 2 and Summer 2 for</p>	<p>Through the Catholic cluster initiative, the children have been able to take part in many different competitions. The children have really enjoyed the competitions and showed great sportsmanship throughout them. We have had some fantastic outcomes from the competitions this year. The competitions this year have also been assessable for KS1 and have given these children the opportunity to prepare for the KS2 competitions. The specialist teacher has helped to prepare them by delivered specialised sessions for upcoming events and improved the skills of the children. Due to the pandemic all sports competitions were cancelled from March.</p>

		one day a week. Her role will be to support the delivery of physical education and local transition along with aiming to increase the competition and participation in sports events.	<p>The member of staff has worked closely with the NQT by team teaching, planning, observing and giving input on differentiation as well as indoor and outdoor activities.</p> <p>They have also worked with the play leaders planning with them, sharing ideas and observing them teach and lead.</p>
Active Schools +	£1200	Investing into the Leeds PE and Sport (active schools). The money pays for CPD, membership to the YST, PE Quality mark, Matalan Tops planning scheme, Bupa healthy schools' resources.	<p>Active Schools, have upskilled the PE leads by holding a conference every half term, these bring new ideas to the PE lead which are then brought into the school.</p> <p>Opportunities to attend conferences and courses to help improve confidence and knowledge of P.E amongst teaching staff.</p> <p>Opportunities to attend different competitions and events and experience various sports.</p>
PE Leader Course	£240	To up-skill PE leaders who took over the role in September 2018.	PE leaders now know what is required of the role and the areas that will benefit their school, they have been on training for the Games Marks programme as well as new schemes and assessment tools. Staff now feel more confident in what their role entails.
Lunchtime PE Course provided by Active Schools	£125	To up-skill lunchtime supervisors with different activities to keep the children active during lunchtimes.	<p>KW PE lead went on the course to learn about strategies and activities for lunchtimes and how to keep the children active.</p> <p>KW then delivered CPD training to all lunchtime supervisors to ensure they use the new skills and activities during lunch time, predominantly on the Key Stage 2 playground. These activities keep the children</p>

			active and promote healthy lifestyles as well as impact on positive behaviour on the playground.
Create Development	£4, 290	<p>This package includes:</p> <p>Real PE – which plans the indoor PE sessions linking to the national curriculum</p> <p>Real Gym – has gymnastic lessons for all year groups</p> <p>Jasmine – online scheme that enhances the indoor PE lessons with modelled videos</p> <p>Subject Leader Courses – to understand the online tool, assessment and learning nutrition of the school, deep dive into PE</p> <p>Resources – each year group has a planning curriculum sheet, funs cards and assessment cogs.</p>	<p>To establish inclusion for all children.</p> <p>Differentiation will enable children to access the curriculum.</p> <p>Long term plans will be provided for staff to enhance their coverage.</p> <p>Assessments will made easier for staff to manage.</p> <p>Courses for PE leads have enhanced their knowledge and helped prepare for deep dives. PE leads have implanted the scheme of work into the school to enhance quality teaching in PE.</p>
PE Equipment	£860	Lunchtime Equipment and Trolleys on Key Stage One and Key Stage Two playground.	Providing lunchtime equipment has made children more active during lunchtimes and has given the play leaders equipment to aid planning sessions for Key stage one.

		PE Resources to aid the Real PE planning.	PE equipment was bought in line with the Real PE Jasmine scheme to aid the lesson plans and to enhance the high-quality lessons.

Total funding for 2018/2019 = £18,510

Action/Activity/Project	Cost	Description	Impact
After School Provision	£1,137.50 – Rocky Ace (Health for All) £2450 - Football	Forecast for football, Rocky ace club, multi-sports, tag rugby, dance and athletics.	Children have the opportunity to attend after school clubs by specialist coaches. These has raised a higher number of children being active as well as giving the younger children the opportunity to enhance their skills. The coaches have also prepared the children to compete in competitions.
Rhino Foundation	£2,000	Support from the Leeds Rhinos to develop our physical education curriculum (coaching and healthy schools/pshe) as well as our sports curriculum delivery of lunchtime and afterschool provision. We will have an 'officer' who will work within school weekly to support Physical development.	The Rhinos foundation has impacted the children by allowing all children to have an opportunity to take part in: after school clubs, training sessions and a takeover day where every class in the school got the opportunity to work alongside the Rhinos leaders that came into school. The children have had training sessions with the leaders at different times during the year, these sessions are usually multi-skill or tag rugby for the older children in the school. These sessions have helped the children to work together.

			<p>The Rhinos leaders also worked with the year 6 play leaders this year in order to help them plan activities for the younger children during lunchtimes.</p> <p>The after-school clubs that they undertook this year were Rugby and Girls Football. The girls football gave the young girls in the school the opportunity to show off their skills as well as enhance them.</p>
Skipping School	£600	Children in the years 2 and 4 will take part in a skipping competition. A trainer will come in to help the children to prepare for the competitions and the different activities they have to do for the competition. They will also train the class teacher in helping them to prepare the children for the competition.	Both year 2 and year 4 children enjoyed participating in the skipping competition. The children also won various medals and certificates and both year groups did extremely well in the competitions. The year 2 children won their heat and made it to the year 2 skipping finals, where they came away with 2 bronze awards and a team silver award. The children take huge pride in this competition and their excitement increases each year. Skipping is a predominant feature on the Key Stage One playground at breaks and lunchtimes.
PE Badges	£18	Captain and vice-captain badges as well as play leader badges.	Children take pride in being part of a team and it is an opportunity for gifted and talented children to share their skills with others (especially the younger children)
Dance Lesson	£216	Year 5 and 6 children to work with a dance specialist learning routines and skills to coincide with the year 5 and 6 topic on World Wars.	Children learnt dance skills that they wouldn't have to opportunity to do elsewhere. They used these skills to incorporate it into an assembly and showed their new skills confidently to the whole school and parents.

<p>Balance Bikes – Pro Ride</p>	<p>£231</p>	<p>Reception children to learn the skills on balance bike to prepare them for riding a bike. To endorse different ways to travel to school and the health benefits for the children.</p>	<p>This year the children in foundation had to opportunity to have some taster sessions on the balance bikes. The children loved this session and they showed a lot of confidence within them. This made the children use the bikes more within their outdoor provision, especially children the staff hadn't seen use them before. From these children across the school now have the opportunity to travel to school on their bikes/scooters.</p>
<p>Catholic Cluster Initiative</p>	<p>£4,698.67</p>	<p>Our school along with the other East Leeds Catholic Cluster Primary schools, made up of Our Lady's, St Theresa's and Corpus Christi Catholic Primary School and in conjunction with Corpus Christi Catholic College who have employed a Primary Sports specialist teacher who will work in each of the 4 primary schools for a day and at Corpus Christi College for 1 day a week. Her role will be to support the delivery of physical education and local transition along with aiming to increase the competition and participation in sports events.</p>	<p>Through the Catholic cluster initiative, the children have been able to take part in many different competitions. The children have really enjoyed the competitions and showed great sportsmanship throughout them. We have had some fantastic outcomes from the competitions this year. The competitions this year have also been assessable for KS1 and have given these children the opportunity to prepare for the KS2 competitions. The specialist teacher has helped to prepare them by delivered specialised sessions for upcoming events and improved the skills of the children.</p> <p>This will also help with the transition from Primary to High School as a lot of children have been to the high school for different competitions and events and feel comfortable in the surroundings and have got to know one of the teaching staff.</p> <p>The member of staff has worked closely with the NQT's by team teaching, planning, observing and giving input on differentiation as well as indoor and outdoor activities. They have also worked with the play leaders planning with them, sharing ideas and observing them teach and lead.</p>

			<p>As part of the schools 'Sports Week' the specialist teacher delivered an inspirational assembly based on her playing for Leeds United Women's Football Team. They then went on to work with the girl's football team, the girls really enjoyed this session and were continually asking questions about how to be successful. This gave them a purpose.</p>
Medals for Sports Day and Fun Run	£360.09	<p>All children to take part in the fun run to raise money for the PTA.</p> <p>All children to take part in sports day to encourage an active lifestyle and increase the competition within school.</p>	<p>Children have pride in raising funds for given reasons each year. They enjoy the experiences of helping the others and working together. The fun run gives the children opportunities to get their families involved and show that sport can help raise money. Be used as a good cause as well as show the health benefits.</p> <p>Sports day gives the children the opportunity to show off their skills, praise each other and participate in an intra competition. Children are proud of their achievements and it gives parents the opportunity to see their children competing.</p>
Equipment – Balance Bikes	£1000	<p>Following balance bike training of 2 staff, we have purchased a set of balance bikes, for the children in Foundation Stage to have small group time focusing on core strength as part of their outdoor PE sessions.</p>	<p>From the pro-ride balance bike taster session 2 members of staff went on balance bike training in order to carry on these sessions throughout the year. Therefore, we purchased a set of balance bikes with helmets and resources. The children really enjoy these sessions and they currently run in Foundation, as of next year these sessions are now timetabled and will be delivered weekly as the sessions focus on gross and fine motor skills as well as riding a bike.</p>

PE Leader Course	£240	To up-skill PE leaders who took over the role in September 2018.	PE leaders now know what is required of the role and the areas that will benefit their school, they have been on training for the Games Marks programme as well as new schemes and assessment tools. Staff now feel more confident in what their role entails.
Team Uniforms	£769.60	A new sports kit has for the Athletics team, Football team and Netball team.	When wearing these uniforms to competitions the children feel a sense of family and belonging, they look smart which engages them to work as a team. Play leaders also wear these on Sports Week, Sports Day and when they are delivering their sessions, this gives them a sense of reasonability and other children look up to them.
Sports Safe	£60	Servicing of Equipment	This is to ensure all equipment is safe for the staff and children. (Requirement)
Create Development – Real PE, Jasmine, subject leader course and resources	£445	Scheme to enhance planning, differentiation and assessment.	To establish inclusion for all children. Differentiation will enable children to access the curriculum. Long term plans will be provided for staff to enhance their coverage. Assessments will made easier for staff to manage.
Active Schools +	£1200	Investing into the Leeds PE and Sport (active schools). The money pays for CPD, membership to the YST, PE Quality mark, Matalan Tops planning scheme, Bupa healthy schools' resources.	Opportunities to attend conferences and courses to help improve confidence and knowledge of P.E amongst teaching staff. Opportunities to attend different competitions and events and experience various sports.

Equipment and Resources – Netball, Football and Tennis	£614.26	We have invested in new equipment to help with practising for the competitions as well as equipment for the after-school clubs, these have also been used within PE lessons.	The Netball team won the Bishop Roche Cup, the footballers won their league at the Catholic Cup and the tennis team won their heat.

Total funding for 2017/2018 = £11,207

Action/Activity/Project	Cost	Description	Impact
Local Partnership – Active Schools	£1,000	Investing into the Leeds PE and Sport (active schools). The money pays for CPD, membership to the YST, PE Quality mark (assessed in July 2015), Matalan Tops planning scheme, Bupa healthy schools' resources.	Opportunities to attend conferences and courses to help improve confidence and knowledge of real P.E amongst teaching staff. Opportunities to attend different competitions and events and experience various sports.
After School Provision	£780 – Rocky Ace Football – £2,450	Forecast for football, Rocky ace club, multi-sports, tag rugby, dance and athletics.	This has helped children to build relationships, work as part of a team and take part in different competitions.

Rhino Foundation	£2000	Support from the Leeds Rhinos to develop our physical education curriculum (coaching and healthy schools/pshe) as well as our sports curriculum delivery of lunchtime and afterschool provision. We will have an 'officer' who will work within school weekly to support Physical development.	<p>The Rhinos foundation has impacted the children by allowing all children to have an opportunity to take part in: after school clubs, training sessions and a takeover day where every class in the school got the opportunity to work alongside the Rhinos leaders that came into school.</p> <p>The children have had training sessions with the leaders at different times during the year, these sessions are usually multi-skill or tag rugby for the older children in the school. These sessions have helped the children to work together and also the tag rugby has helped the children in the tag rugby competition which we took part in for the first time this year.</p> <p>The children were also invited to a Leeds Rhinos match where they walked around the pitch during half time.</p>
Skipping School	£535	Children in the years 2 and 4 will take part in a skipping competition. A trainer will come in to help the children to prepare for the competitions and the different activities they have to do for the competition. They will also train the class teacher in helping them to prepare the children for the competition.	Both year 2 and year 4 children enjoyed participating in the skipping competition. The children also won various medals and certificates and both year groups did extremely well in the competitions considering they didn't have a lot of time for practise due to other commitments in school.

Swimming	£2606	Children in year 4 are given the opportunity to have top up swimming lessons to further develop their skills from year 3.	To develop swimming skills and become more confident with their swimming skills.
Val Sabin	£779	Val Sabin is a PE scheme that the school has taken on in order to help with planning for all staff.	To develop the confidence of staff in planning for PE lessons to show progression of skills throughout the year groups.
Sports Safe	£327	Servicing of equipment	This is to ensure all equipment is safe for the staff and children. (Requirement)
Herd Farm Activity Day	£290	This day was for children to have an experience of different activities.	To experience different forms of PE and sport that they cannot get on site at school. To gain new experiences and basic new skills.
Tower Climbing Activity	£80	The climbing tower was placed in the KS1 playground, this is to enable a new set of skills and give the children opportunity for new skills.	Children have the opportunity for new skills and to have the understanding about different physical skills to promote being active. Children became more confident as the day went on and all children attempted the wall. This produced lots of discussion from the children; they showed lots of interest in this and expressed their enjoyment.
Medals Fun Run	£360	All children to take part in the fun run to raise money for the PTA.	Children have pride in raising funds for given reasons each year. They enjoy the experiences of helping the others and working together. The fun run gives the children opportunities to get their families involved and show that sport can help raise money. Be used as a good cause as well as show the health benefits.

Consistent city-wide approach to PE, Sport and Physical Activity.
Afterschool provision	£3,500	Currently we offer our children afterschool sports activities for Football, Multi-sports and Rugby has been organised to be provided by the Rhinos academy. We are also looking to extend provision to including a gymnastics and dance club.	When the children participate in after school sports clubs they build on their leadership skills, co-operation, team building and communication. They also become more social individuals as they are able to make new friends. The after-school provision keeps children healthy and fit through physical activity.
Professional Development	£950	Each term will have a focus on the development of our staff's confidence and subject knowledge of the delivery and assessment of PE, sport and physical activity. For the rest of this academic year, Staff CPD will consist of:	Staff become more confident delivering the Real P.E Scheme of Work. Staff become more up to date with new curriculum requirements.

		<ol style="list-style-type: none"> 1. High quality PE 2. Gymnastics 3. Assessment <p>Next academic year will look at Dance, Games and Outdoor Adventurous Activities. The delivery of the CPD will be from YST accredited staff.</p>	
Intra - schools competition	£700 - 1000	<p>Our lead secondary school of who's responsibility is to organise and run fixtures / competitions between our cluster of schools, monies will also pay for transportation to fixtures.</p> <p>We will also combine our KS2 sports day this year with our linked parish school (Our Lady's of Good council). The activities will be held at South Leeds Stadium.</p> <p>Our Year 3 children will compete in the Leeds Skipping competition in May 2014.</p>	Children are able to participate in intra-schools' competitions.
Inter – School competition	£500	Upon analysing our after schools' provision, the	Children are able to experience team games during break and lunch times lead by the sports council.

		<p>attendance can be of the similar 'groups of children'. Upon speaking to other children who do not attend afterschool clubs regularly, it is not always possible for them to attend due to their parent/guardians work commitments. To try to limit this barrier, children will run a 'Sport Council' over lunchtimes. The council will run team games (football, basketball, rounders, netball, dodgeball, rugby, tennis, badminton, volleyball and so on). Classes will compete against each other to create a school's league board. Each half term will focus on a different game, providing time for games skills to be practised, skills developed and competitive play. Money will be spent on resourcing for any games we do not have equipment for.</p>	
--	--	--	--

Outdoor Adventurous Activities (OAA)	£1000	Extending our provision for the teaching of OAA, to include our children going to other settings and experiencing rock climbing / abseiling, canoeing and so on.	Children experience outdoor adventure activities. Adventure education usually involves collaborative learning experiences with a high level of physical (and often emotional) challenge. Practical problem-solving, explicit reflection and discussion of thinking may also be involved.
