

1. Excellent school
2. Keep up the good work a lovely school
3. An excellent school that places the safety of the child at the forefront. I have had 5 children attend this school spanning over a decade and it has maintained the high level of care and due diligence in keeping my children safe and happy, in a nurturing environment.
4. I am not sure what the teachers teach their students in school. So my child need a lot of homework's to do at home specially at the week ends. could you give him extra homework to know what they need to learn and help at home please.
5. Well done
6. Well done
7. None. Thank you.
8. I feel that the system that is set is not supportive towards parents that come from separated parents as there have been many issues in the past although addressed this can make a parent feel excluded. Sharing of information needs to be more transparent and consistent. Going with old ideology mothers appear to have more rights
9. Great school great teachers very happy
10. Always keep up the good work. Very well done.
