

Chaplaincy

Job Description

St Nicholas has a passionate team of chaplains, who play a vital role in enhancing and promoting the School and Gospel values alongside our virtues embedded in Catholic social teaching, to students, staff and the wider community. All of our chaplains take joy in wearing their Chaplaincy badge and carrying out different responsibilities.

The Chaplaincy Team meet consider different ways in which they are strengthening our mission, deepening prayer and enabling communion.

The Chaplaincy Team Aims to:

- To help the school community, children and staff to grow on their journey with God.
- To encourage the pupils to strengthen their faith and live out our school motto and virtues.
- To support Liturgy, prayer and the Catholic heart of our school.
- To continue to develop strong links with the Parish.

The meetings give a chance for every Chaplain to share their ideas and together we make decisions about how we can promote the Catholic ethos in the school. Chaplains will have the chance to lead prayer in Gospel worships, whole school Prayer and Liturgy, monitor class reflection areas and class display boards and help plan prayer events for key points of the Liturgical seasons.
