

ST NICHOLAS CATHOLIC PRIMARY SCHOOL

YEAR 1 & 2 | AUTUMN TERM | CORE VOCABULARY MAT

“Love one another as I have loved you”

VOCABULARY AT ST NICHOLAS

A rich vocabulary helps children understand learning, explain their ideas and communicate confidently. This is especially important for pupils with speech, language and communication needs and for pupils learning English as an additional language (EAL). Core vocabulary is explicitly taught, revisited and expected to be understood and used. Exposure vocabulary is encountered and explained in context. This leaflet contains core vocabulary only.
